Honorable Stansfield Turner
Director, Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Turner:

Thank you for your kind invitation to attend the meeting of university presidents and leaders of the American academic community to be held on February 15 at the Central Intelligence Agency. Nothing would please me more than to join in this significant session but, unfortunately, I have a schedule conflict that day with a Board meeting of the Equitable Life Assurance Society. I very much appreciate your thoughtful invitation and regret I am unable to respond favorably.

With best wishes.

Sincerely,

Clifton R. Wharton, Jr.
Chancellor
